The Slovenian supplier Mogota d.o.o. informs about a product recall of the product "Mogota hemp tea".

Celje, 25.08.2021. The Slovenian supplier Mogota d.o.o. is recalling the product „Mogota hemp tea“with BBD 31.12.2022.

In the hemp-containing product "Mogota hemp tea" from the supplier **Mogota d.o.o.** was found an increased content of tetrahydrocannabinol (THC), and so consumption of the product can have undesirable health consequences, such as mood swings and fatigue. Therefore, customers should pay attention to the recall and not consume the product.

The affected product "**Mogota hemp tea**" from the supplier **Mogota d.o.o.** was sold by **Lidl Cyprus**. As always and for reasons of precautionary protection of the health of its consumers, **Lidl Cyprus**, reacted immediately by taking the appropriate measures in this direction, to exclude the possible danger to the consumer public. The product can be returned in all Lidl branches. The purchase price will of course be reimbursed, even without presenting the receipt.

The recall affects only the product „**Mogota Hanftee**“from the supplier **Herstellers Mogota d.o.o.** with **BBD 31.12.2022**. Other products from the supplier **Mogota d.o.o.** sold by **Lidl Cyprus** are not affected by this recall.

The supplier **Mogota d.o.o.** apologizes to all customers for any inconvenience caused.
